Lenovo E540

The Lenovo ThinkPad E540 is an ideal business laptop ideal for training courses, events and presentations.

High performance 2.5GHz i5 processor, a full 8GB RAM and a high speed 7200rpm 500GB hard drive makes for a comprehensive business laptop hire solution. External connectivity and expansion are covered with 2 x USB3.0 and 1 x USB2.0, 1 x Gigabit network port, 1 headphone socket and a 4 in 1 card reader. External monitors can be plugged in either via the VGA or HDMI sockets and the built in 720p webcam provides the possibility of video conferencing. All laptops are shipped with network cables and external USB mice. A pre-despatch set up service is available to install software and media provided by our clients.
